

Who Said What

WHO SAID WHAT

"Over the course of the last year, the [organization] has [acted] in a way that has [caused] a sudden need for violent [action] on the part of [the government]."

U.S. Capitol Police Chief Tommy A. Clinger, regarding the 400 [protesters] against members of Congress in the last few years. Most recently, [a] group of persons [with] [weapons] entered and attacked [the] member of Congress [in] his [office] in the [Capitol] on [May 15, 2023].
